Re: Braun v. Rayovac

Dear Dalila:

We write regarding your recent production of documents B008373 - B008424. In particular, based upon the attached certifications, it appears that you have had B008375 - B008401 since at least November 16, 2004. Please advise whether our understanding is correct. Also, if our understanding is correct, please advise why you did not produce such documents until May 31, 2005.

In addition, B008389 appears to have been created by a Mr. or Mrs. Herzog. To the extent that Braun has not already produced them, please produce all of Mr. or Mrs. Herzog's files related to the shaver cleaning system.

Thanks in advance for your considerations of the issues herein.

Sincerely,

James A. Shimota
